## Fed.MES- Application Form for JSCE-STG Program (2026)

1. Name	.....	<div style="border: 1px solid black; padding: 10px; text-align: center;">Photo Passport Size</div>
2. NRC No.	.....	
3. Date of Birth/Age	.....	
4. Citizen	.....	
5. Nationality	.....	
6. Engineering Degree (Civil) (BE,ME,Ph.D)	.....	
7. Graduated Year/University	.....	
8. Name of Company	.....	
9. Present Position	.....	
10. Experience	.....	
11. Fed.MES Member No.	.....	
12. Contact Address	..... .....	
13. Phone No.	.....	
14. Email	.....	
15. Title of Project to be Submitted to JSCE	..... .....	
16. Signature of Applicant	.....	
17. Date	.....	

**2026 JSCE Study Tour Grant  
Questionnaire**

**Name & Affiliation:**

**1) Purposes of your participation in the STG Program:**

Why do you like to participate in STG Program? Please explain why and how your participation in that program would help your research projects and career pursuits, too.

---

---

---

---

---

---

**2) Your interests: structures, projects, and institutes that you would like to visit in Japan**

Please let us know what structures, projects, and institutes you like to visit in Japan and the reasons why you are interested in them.

---

---

---

---

**3) Your presentation at the International Summer Symposium during JSCE Annual Meeting**

As part of the STG Program, you give a **poster presentation** to share your research project at the International Summer Symposium (ISS), which is held during the JSCE Annual Meeting. The ISEF Committee will help you to prepare your poster presentation. In order to do so, the ISEF Committee asks you to give your presentation title and abstract\* beforehand.

\*You will prepare the abstract of your poster presentation using the template enclosed.

Title:

---

---

Abstract (600 words or less)

---

---

**4) Your research project(s)**

Please outline your research project(s) including themes/main focus, objectives, and the goals that you try to achieve, and how the research project(s) you can relate to your future career.

If you have not engaged in research project(s) yet, please share your ideas/plans and objectives of your future research projects.

---

---

---

---

---

---

**5) Your STG Report**

Please submit your STG report in English to the ISEF Committee by October 1, 2026. In the report, you may discuss what you have learned in the STG program and how your STG experience would help your research projects and/or your career pursuits. Also, you are requested to report on your STG experience back home. Please give us your plans to make a report back home.

Date:

Events and Opportunities: e.g. annual conference, symposium, etc.

---

---

---

**6) Others**

Please explain your plans if you have decided pursuing your study and/or working in Japan in a near future. If you have some affiliations with Japanese companies in the civil engineering field, please describe your affiliations with them, too.

---

---

---

Have you ever come to Japan? What are the purposes of your visits to Japan and what have you learned from those visits?

---

---

---

\*Please use additional sheets if necessary.

< STG Candidate Resume >

■ **STG Candidate** \*Please clearly print your name, address, email address.
